

# THE TOP SOLAR PROBLEMS SOLVED. TIME TO TAKE A SECOND LOOK.

The main problems around installing solar came down to the Return on Investment (ROI) wasn't there and current roof conditions prohibited installation. Now those problems have been solved and it is time to take another look at the benefits and advantages of solar.

**WE WORK  
FOR YOU**

This is just one of the many products Delta Wealth Services has to offer. Our goal is not to sell you something but to make you aware of money saving programs that can help build wealth in your business.

Our clients trust us to look out for their best interests. Take 15 minutes to talk to us and see how this or other programs we offer can benefit your business.
